

A Breathtaking Dream

By C. Jade Wyton

Toni has an exhilarating and surprisingly-arousing dream about the woman he likes.

Cw: sex, choking, biting, yay!

It was a warm summers night, and for some reason, Toni found himself camping.

He wasn't sure why he was out here. Nor why he was out here alone. But apparently, he was. So he tended to the campfire with very little care, and paid no mind to the shadows amongst the trees that danced in the flickering flame.

He sat a minute, considering opening a can of beans or spam to stave off that twinge of hunger he was feeling. But before he could decide which he wanted a growl caught his ear and he turned, just in time to see a shadow leap from the trees.

He hit the ground heavily, but without pain, and gave a cry of surprise and saw teeth —fangs, like a big cat's— flash in his vision and squeezed his eyes shut.... Only for a small huff of air to brush his cheek and a familiar voice to whisper to him:

'Hey, top cat.'

Slowly, he peeked opened his eyes— And then they shot wide open when he realised who was on top of him. 'Janice?!' he blurted.

'What's a handsome fella like you doing out here on his own?' she asked, shifting slightly.

She leant forward, and that charm that hung around her neck brushed the tip of Toni's beak as the jangling of her bracelets and hair-clips filled the quiet air.

'I, uh— I—' Toni couldn't find the words as she moved back and her breath found his cheek again.

But he apparently didn't need to find the words, as Janice shifted and pressed her hips down firmly against his own and her lips found his neck, kissing him softly and eliciting a moan.

Toni wasn't sure why this was happening, but he couldn't complain as Janice's kisses moved from his neck down to his chest and she began grinding against him. Their clothes buffered the friction as Janice hooked a leg around Toni to shift him as she pleased... and she sat up to look down at him with a glint in her eye.

Her hands slipped up his body, running from his belt all the way to his throat— And she squeezed, tight and hard, making Toni gasp for breath in her grip.

'Good boy,' she praised as Toni's hips bucked up. 'Earn your air.'

Toni bucked again, and Janice lunged forward, digging her teeth deep into Toni's neck—

And Toni's eyes flung open as he felt the orgasm hit him, and he nearly fell out of bed as the dream ended and he failed to find his bearings.

He rolled over, struggling to find himself amongst the tangled bed-sheets, and was barely able to catch his breath as he shook with the intensity of the feelings the dream had pulled from him.

And then he found his bearings and collapsed, limp, into the bed.

Panting, he tried to figure out what the *hell* had just happened.

A dream?

Had that been a...?

He realised that, yes. He had been dreaming, and rolled over to stare at the roof with his feathers lifted in a hot blush.

Not once in his entire *life* had he ever had a dream like that before!

It was so incredibly— Incredibly—

What the *fuck*?!

He closed his eyes, swallowing as he thought of Janice —soft, gentle, kind, polite Janice— and knew immediately that, from that moment onwards, he could *never look her in the eyes again!*
